Spring 2026

President Update

Tim Eagon

After a long, cold winter, GNA (and surely everyone else) is geared up for Spring. We started things off with co-sponsoring the Cap Times’s MMSD School Board candidate forum, for elections on April 7th (go vote!)

Next, we turn to the Spring 2026 neighborhood meeting on **April 8th**, and are excited to announce our keynote speaker will be Mayor Satya Rhodes-Conway! At the meeting, we expect she will share her vision of the city’s future and how it may impact our neighborhood, as well as answer submitted questions from neighbors.

We are also excited to meet our new Neighborhood Resource Officer, Victoria Wickersheim, who (as we may learn) is especially inspired by youth programming and engagement.

Looking a little further out, the *Eastmorland-Lake Edge-Glendale* neighborhood Garage Sale is tentatively scheduled for **June 12-14**; keep your eyes on the GNA’s social media pages and our new website for more information as it becomes available.

And finally, mark your calendar for our annual Neighborhood Summer Festival on **August 6th!**
